A SUGGESTION TO THE LEGISLATURE.-We

beg leave to make one suggestion to the em-nently respectable Legislature now in ression at Frankfort. We think that every just heart and

mind will respond to it. Louisiana has a law that prohibits the selling of slave children under

a certain age to be separated from their mothers. There is, we understand, a similar law in

South Carolina, and probably there are similar ones in other Statea. In our opinion, there should be such a law in Kentucky. We consider it demanded by the great cause of humanity, and we doubt if there is a member of the

Legislature who will dissent from this view of

INTERESTING TO EXPORTERS OF SALTED
PROVISIONS.—As the French Government has
by decree of October, 1855, reduced their prohibition duty on salted meats of \$5 60 per 100
killogrammes (220 pounds) to the merely nomiual rate of 91 cents, it may be interesting, if not
in the meat export trade to know how such
freights should be prepared for the French market and the present ruling prices in that country.

We therefore subjoin a translation of an article
ublished in a late number of the Echo d'Agricol (Paris paper) on the subject, premising the
remark that it is by no means improbable that

Mayor's Office, Jan. 17, 1856.

To the General Council:
Some weeks ago I was elected to the secretaryship of the Franklin Insurance Company of this city, and conditionally accepted, intending to resign my office as Mayor, to take effect 1st prox., so that the General Council would have the right, under the charter, to fill the vacancy till the general election of officers in April.

Having voluntarily assumed the laborious duties of Mayor, I do not, after a full and mature consideration of the whole subject, feel at liberty to resign; and, as my acceptance of the secretaryship was made public, I consider it my duty to inform your honorable body of my having declined it.
